SCORING

Take exactly the tricks you bid: 10, plus 1 for each trick. Bid 2 and take 2, and you score 12.

Miss, over or under, and you score nothing for the hand. A bid of zero made scores 10.

TRUMP, THE HOOK AND WINNING

The card turned up after the deal makes trump. A turned ace means no trump that hand.

The dealer may not bid the number that would make the bids add up to the cards in the hand.

After the last hand, the highest total wins; a tie at the top is a draw.
