TRICK POINTS

Ace 11, ten 10, king 4, queen 3, jack 2, nine 0, and 10 for the last trick: 250 in every hand. The bury counts for the bidder.

BIDDING AND THE KITTY

The first bid is at least 250, and each bid after it is higher, in steps of 10. If nobody bids, the dealer is stuck with the contract at 250.

The bidder takes the kitty, names trumps and buries three cards. A buried card cannot meld.

A bidder who throws the hand in loses the bid, and each of the other two scores just their meld.
